

Monday, Dec. 1 st				Tuesday, Dec. 2 nd				Wednesday, Dec. 3 rd				Thursday, Dec. 4 th			
09:00–09:30			(Set up) Registration Desk (open at 8:30 am) @Exhibition Hall Space Robotics Exhibition 10:30 – 17:00	@Main Hall Keynote Talk by Dr. Carl "Glen" Henshaw "Why is the US Navy doing Space Robotics? Orbital Robotics Research at the US Naval Research Laboratory"			@Exhibition Hall Space Robotics Exhibition Registration Desk (Open at 8:30 am) 09:00 – 18:00	@Main Hall Keynote Talk by Mr. Suguru Saito "Japan's Space Policy Overview: Focusing on Trends in Lunar Development"			@Room A		@Room B		
09:30–10:00	@Room A Workshop: "AI4OPA: AI Techniques and Frameworks for Orbital and Planetary Autonomy"			Coffee Break				@Room B Workshop: "Beyond Rigid Systems: The Case for Soft Robotics in Space Exploration"			Workshop: "Dexterous Robotic Grasping in Space: Challenges and Current Research"		Workshop: "Sustainable Space Activities through Robotic Pre-deployment and Autonomous Operations"		
10:00–10:30								Coffee break							
10:30–11:00				@Room A In-Space Manufacturing, Assembly, and Deployment				@Room B Intelligence and Autonomy for Planetary Exploration Robots (2)			@Main Hall Mission Planning				
11:00–11:30															
11:30–12:00															
12:00–12:30															
12:30–13:00															
13:00–13:30															
13:30–14:00															
14:00–14:30															
14:30–15:00															
15:00–15:30															
15:30–16:00															
16:00–16:30															
16:30–17:00															
17:00–17:30															
17:30–18:00															
18:00–18:30															
18:30–19:00															
19:00–															
12:00–13:30 @Exhibition Hall Lunch				12:00–13:15 @Exhibition Hall Lunch				12:00–13:30 @Main Hall Diversity Lunch in Space							
<i>(Starting at 13:45)</i> @Main Hall Opening Talk				<i>(Starting at 13:15)</i> @Room A Orbital Servicing and Debris Removal				<i>(Starting at 13:15)</i> @Room B Intelligence and Autonomy for Planetary Exploration Robots (3)				@Main Hall Spacecraft/Satellite Technology			
Coffee Break				Coffee Break				Coffee break							
@Room A Manipulation in Space				Technical Tour @Tohoku Univ.				@Room B Space Robotic Locomotion (3)				(Exhibition Finish-up)			
@Room B Intelligence and Autonomy for Planetary Exploration Robots (1)				Historical Tour @Sendai City Museum				@Main Hall Telerobotics and Planetary Simulaton							
@Main Hall Multi-Robot Cooperation/ Collaboration				17:00–20:00 Welcome Reception @Aoba-no-kaze terrace <i>(on 2nd floor of the subway station)</i>				15:00 – 18:00 @Exhibition Hall Publicly Open Time							
17:00–20:00 Welcome Reception @Aoba-no-kaze terrace <i>(on 2nd floor of the subway station)</i>				18:30–20:00 Cocktail & Dinner @Exhibition Hall				(Transportation by subway)							
								18:00–22:00 Gala Dinner & Closing/Award Ceremony @Sendai Metropolitan Hotel
